In the Specification

Please substitute the following abstract for the abstract on file.

"An ornamental fence insert for a picket fence. The picket fence is of the type having two upper rails and a plurality of pickets extending through the rails to define spaces therebetween. The ornamental fence insert, having diametrically opposed projecting brackets, with each bracket having a pair of opposed sidewalls is adapted for installation in one of the spaces by straddling and engaging the pickets or the rails without the aid of attachment means."

Page 6, line 8, please insert at the end of the sentence --The body 24 can be formed of a metal or of a plastic.--

In the Drawing

Please substitute new Figure 3 for Figure 3 on file.

REMARKS

Election of Species

Applicant elects to prosecute in this application the species of Figures 1 - 4, 8 and 9, if no generic claim is held allowable. Claims 1 - 8 and 13 - 28 are readable thereon.

Specification

The Abstract has been amended by deletion of "This invention relates to" and the disclosure has been amended to make reference to use the being formed of metal or plastic for antecedent support of the claims.
